GPC iTV

GREAT PLAINS COMMUNICATIONS

Keep customers engaged with GPC iTV, our latest streaming TV solution.

GPC iTV brings you the most popular channels and the latest features, such as Cloud DVR and Replay TV, over your existing GPC Internet connection. Whether you run a small mom-and-pop shop or a larger business, our GPC iTV solution is customizable to businesses of all sizes and industries.

WHY CHOOSE GPC iTV?

- Save money on monthly equipment and DVR rentals*
- Local channels included, allowing you and your customers to stay on top of local events and weather
- Convenient single bill for multiple services

*Some businesses and/or TV set-ups may require the use of set top boxes, available at a low monthly rate
